at 7 pm in South Muskham Village Hall

Members of the Public: None

Apologies: K Brown

Dave Catanach, as Chairman of the Parish Council during the term 2022-23 presided.

Welcome from the Chair

Councillor Catanach reflected that it had been a successful year, the Parish Council were financially secure without having to increase the Precept. Beckitt Field continued to be an asset to the community, with ongoing use by Muskham Cougars. It was nice to see the facility being used. It was hoped that the changes to the Public Space Protection Order to allow dogs on the field would finally be complete in the near future.

The Parish Council had continued its lobby of both the District and County Councillors that serve the area to try and secure improvements in both villages.

Thanks were extended to all those that support the communities for their hard work and dedication, as without them organisations would not work.

During the next year it was the aim to engage more with residents, with more use to be made of social media to ensure that the population were aware of the work undertaken by the Parish Council.

Thanks were extended to Parish Council members for their continued efforts and support throughout the year.

Thanks were conveyed to the Clerk, and also the District and County Councillors who listen to concerns and do all they can to raise it with the appropriate departments, often with great success. Thank you to Councillors Saddington and Laughton, whose support is much appreciated.

Thanks were also extended to the Village Hall Committee for all their hard work over the year.
